# CYBERSECURITY TASK-1 CTF

Neighbour

- Firstly I visited the tryhackme page and searched for easy level ctfs and I got neighbour task and I joined in the room

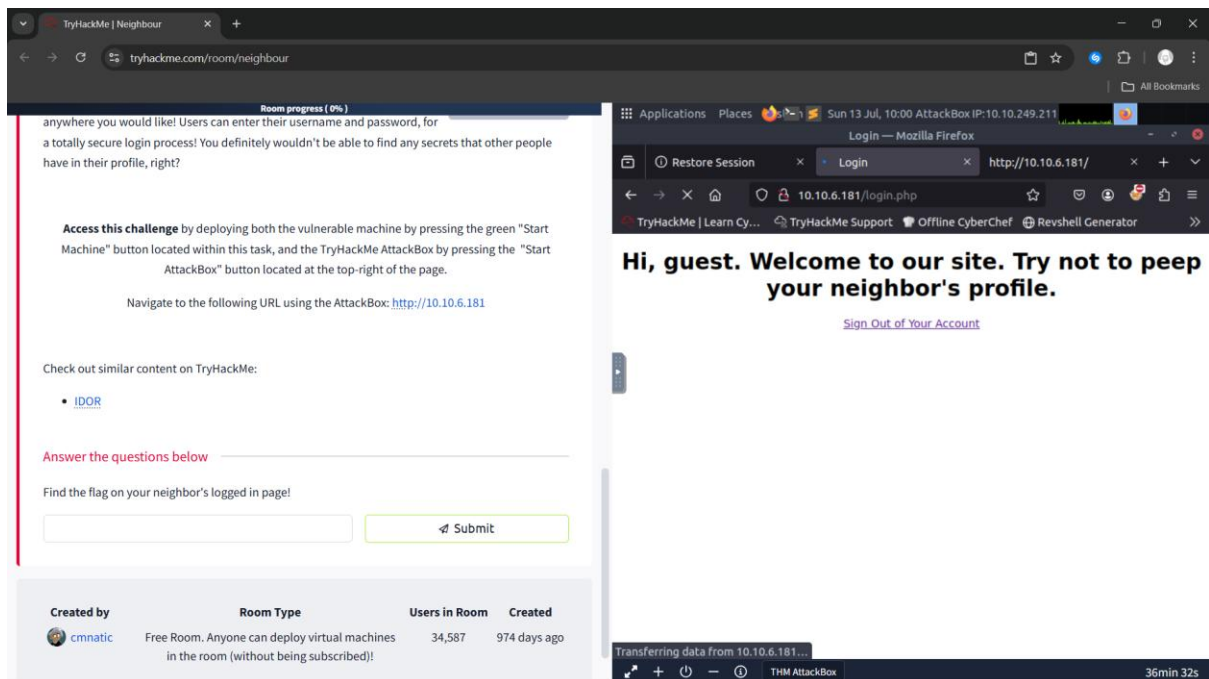

- Then I Started the attackbox and opened firefox and searched the ip given

- Then by clicking ctrl+u the page will move to source code page

- From here we got the username and password as guest and admin on entering the guest credentials we will enter into guest page
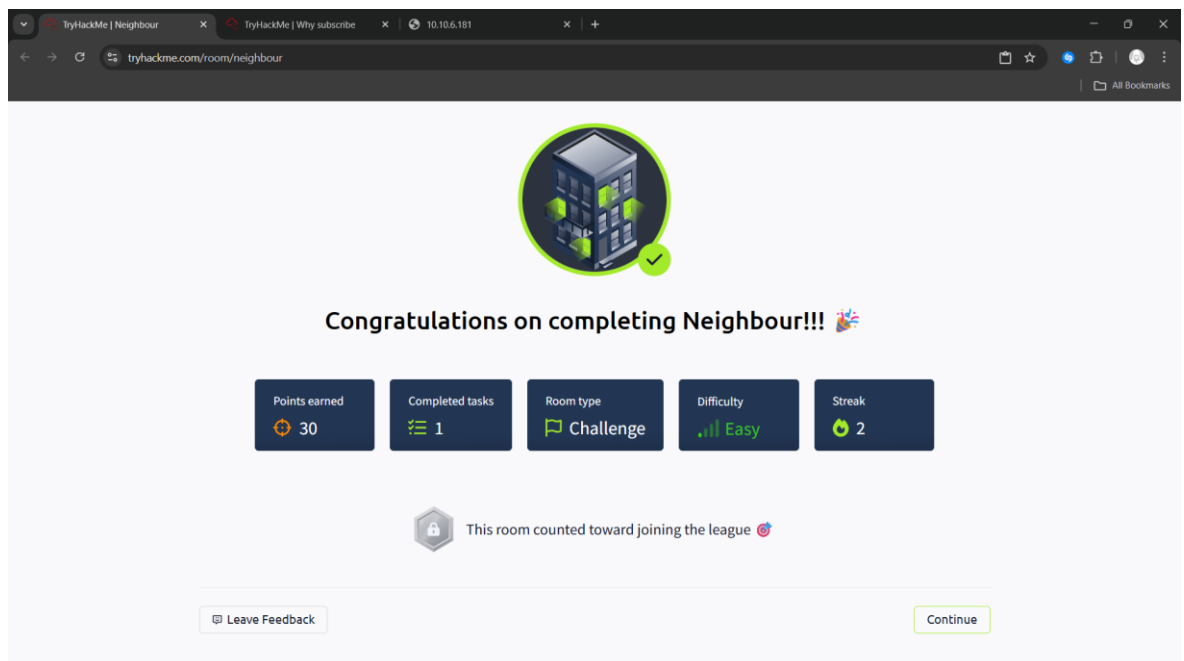

- Next by using admin credentials we will move to this page

Hi, admin. Welcome to your site. The flag is:
flag{66be95c478473d91a5358f2440c7af1f}

Sign Out of Your Account

- From this we got the flag and complete the task

Congratulations on completing Neighbour!!! 🎉

Points earned	Completed tasks	Room type	Difficulty	Streak
30	1	Challenge	Easy	2

This room counted toward joining the league
